The General Assembly of the European Union of Rechtspfleger decides the following

R e s o l u t i o n :

- I. The European Union of Rechtspfleger is pleased about the fact, that the Romanian Ministry of Justice submits the Romanian government a draft law that creates the profession of Rechtspfleger and Court Manager on the basis of the Green Paper for a European Rechtspfleger (to be found: www.eu.-rechtspfleger.eu).
- II. The European countries will be asked to establish the European Rechtspfleger in a similar manner according to the Green Paper and the recommendations of the CEPEJ, Council of Europe, Strasbourg.
- III. The European Union of Rechtspfleger supports the efforts of the European Union to continue to harmonization of the law in the unique legal space of Europe. In addition to the European certificate of inheritance both a European trade register and a European land registry are to be created.
- IV. The procedures in the jurisdiction must be organised efficient and close to the citizens.
- V. In order to guarantee the citizens of Europe a fast and well qualified case law in a harmonised legal space and to avoid an overload and a new backlog
 - the courts have to be equipped with sufficient staff,
 - good working conditions have to be created,
 - tasks have to be transferred in accordance with the competence,
 - adequate salary has to be paid.
